IMPORTANT NOTICE: A nonbinding estimate covers only the articles listed. If it is not binding, the cost of the move may exceed the estimate. If you request additional services to complete the move or add articles to the inventory, the household goods mover must prepare a supplemental estimate which will change the amount of the original estimate. Household goods carriers are required by law to collect transportation and other incidental charges. A household goods carrier may not charge more than twenty-five percent above its written non-binding estimate unless the household goods carrier prepares and you sign a supplemental estimate.

 _____ This shipment is moving under a binding estimate. This means the shipment is moving under a guaranteed price. The carrier will not charge more than the estimated charges without preparing a supplement estimate.
 _____ This shipment is moving under a non-binding estimate. If the charges shown on the bill of lading exceed the charges on this estimate, the carrier must release the shipment upon payment of no more than 110% of the estimated charges and will extend credit for at least 30 days at which time the remainder is due. In no case will I be required to pay more than 125% of the estimate, plus any supplemental.
